**“All kids want to be included and do things like other kids. But what if you're a firefly and your taillight doesn't light up?”**

*Fireflies and Shooting Stars* is an artful and musical tale about Enzo, a little firefly without a taillight who faces the challenges of being different. In search of his own way to shine, Enzo's adventures take him on a wondrous and fantastical journey – a starlit, magical ride of courage, truth and hope for children of all ages!

**10 Heartwarming Chapters, Original Soundtrack CD with 12 Songs, and Over 80 beautiful illustrations!**

**WINNER** of the Mom's Choice Awards Silver Seal of Excellence, the Moonbeam Children's Book Awards Gold Medal, and the USA Best Book Top Award in Child's Fiction!
